

**South Salem Seniors Inc.
Newsletter**

Hello Fellow Members and Friends,

Happy Valentine's Day!

Hope you are all doing well with the cold sunny weather. Winter has just begun and I am sure we may see some icy conditions going forward.

February is Heart Month. There are lots of advice on line to keep your heart healthy: stay active, get good sleep, eat healthy, manage stress, quit smoking, monitor blood pressure and so on. There are lots of physical activities available at the Center for members to stay physically active. I encourage you to check them out.

As I stated in last month's newsletter you will find a new feature in this newsletter, Meet Our Member! We are spot lightening a member each month. It's a chance to celebrate the stories, talents, and journeys of our members that enrich the Center.

On another less genial topic, the first day of tax preparation at the Center is February 2nd. AARP tax preparers are providing this service at the Center three days a week. The appointments filled up really fast and I know that a number of you may be unhappy with how difficult it was to get an appointment and some of you may not have been able to obtain an appointment. I am sorry if you found the process cumbersome and I take full responsibility for that. The Board of Directors along with our AARP Tax Representative will review the process and come up with an easier implementation plan for taking appointments next year. Again, I am sorry for any stress the process may have caused you.

Wednesday February 18th we will have our Membership meeting followed by the February Birthday Cake. A representative from the Salem Humane Society will be our guest speaker at the meeting.

Finally, I want to inform you that effective March 1st I will no longer be the Board President. I have had to resign due to health issues. Sylvia Machado, our current Vice President will be stepping up into the President's position completing the last 6 months of my term. I have appreciated the support that I have received from members and the Board and I hope to be able to volunteer in some capacity as I am able going forward.

President Jessie Martin.

Meet Our Member: Brad Barker

Brad Barker has been a valued member of the South Salem Senior Center for about two years and brings with him a lifetime shaped by curiosity, service, and respect for people everywhere. At the Center, he especially enjoys the Writers' Group and the Book Group, where thoughtful discussion and learning are always part of the experience.

Born and raised in Eugene, Oregon, Brad is the third of three boys. By ninth grade, he already knew he wanted to work internationally and help improve lives around the world. That early calling guided his education in international studies, international health and epidemiology, and management and organizational development—fields that became the foundation for a 39-year career in global health.

Brad worked long term in five countries: Zaire/Democratic Republic of Congo, Haiti, Mali, Senegal, and Uganda, as well as short-term in a dozen other countries. His career began as a Peace Corps volunteer, where his fluency in French led to his first assignment in Zaire, an experience that left a lasting impression. Senegal also held special meaning, as he helped improve HIV/AIDS management and child health programs. Brad is especially grateful for the opportunity to work alongside people who shared a common desire to improve human health worldwide.

Through his experiences in other cultures, Brad says he learned an essential lesson: humility. He also discovered a powerful similarity among people everywhere—the deep importance of family—something that transcends borders and languages.

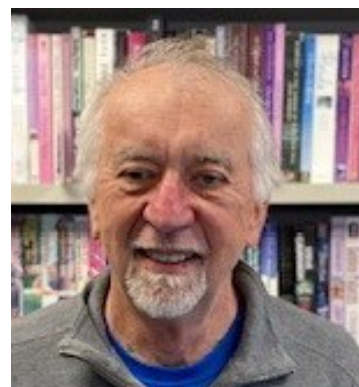

Today, Brad enjoys golf, walking, reading, learning, and spending time with friends. What keeps him coming back to the Center is the friendliness of the staff, the sense of belonging, and the fun, welcoming social activities that make each visit enjoyable.

Brad shares this life wisdom:

"Trust your intuition and have the courage to walk through the door that opens."

And for those curious about the wider world, his advice is simple:

"Jump in and do it."

Needlework Group News

We are getting a lot of positive feedback from the memory care facilities, nursing homes and the Veteran home that we partner with about the stuffed animals and chickens that some members are making. Liberty house that serves unhoused families is also a big fan.

This month we have been busy with making gifts donated to six or seven nonprofit organizations every month. Right now we are focusing on hats, scarves and gloves for those organizations who serve the homeless population in Salem. They are always in need of items that can keep someone warm in the winter months. When I woke up this morning, it was 28 degrees outside so hopefully we were helping folks keep warm.

We meet on Mondays, noon to 3pm, in the card room at the center. You are welcome to check us out any time. If any of you have “stash” of yarn that you don’t know what to do with, you can drop them off at the center. Just tell the people at the front desk that it is a donation to the Needlework Group and they will get it to us. We also take donations of knitting needles, embroidery hoops, floss and any other accessories for needlecrafts.

Blessings,

Claudia Roberts

Garden News

Hi Everyone! What do you think of this comparatively mild winter? Some of my annuals like gazania daisies and osteospermum are still blooming and one daylily is putting up scapes with buds! Other spring plants are starting to bloom, too. As for the meeting, I hope we will have enjoyed a guest speaker in January and we may get him again for this meeting. The topic will be a surprise. The speaker is an elderly gentleman who spent 30 years with the botany department at Willamette University. We will be meeting February 17 at 1:00. We may have to meet in the cafeteria if tax groups have begun, but we’ll be together somewhere.

Support Group Begins Meeting

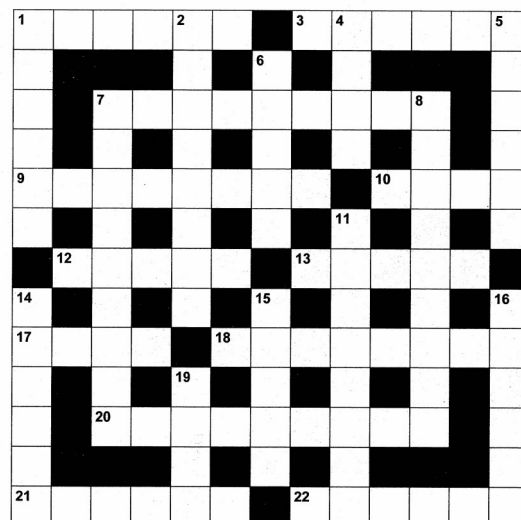

Center members with a friend, partner or spouse diagnosed with Alzheimer or another form of dementia have recently started a support group under the leadership of member Matt Russell. Persons interested in participating were polled and voted to begin meeting once a month on the first Monday from 1 p.m. to 3 p.m. in the Craft Room. Find the signup sheet located either on the Lobby table or posted on the hallway Activity board. Members may register in person or by calling the Center office. **The initial meeting is scheduled for Monday, February 2nd.**

Aging Smart

The Chinese Dance group performed at the recent Member Meeting, bringing a truly cross-cultural contribution to the Center's expanding talent base. These hardworking members not only perform at the annual "World Beat" event in Salem but also extend their welcome to anyone who would like to learn to exercise gracefully - no judgment, just movement – on our most regular schedule in the South Hall – Monday, Wednesday, and Friday in the afternoon.

Volunteers needed to help keep the center open

For many years we have raised thousands of dollars by recycling the different metals that people donate. When we fill the shed outside with metals we have to load them in to the van to take them to the recycle center. The guys that have been doing this for years are getting older.

Every 3 or 4 weeks we need a volunteer or 2 to help load and unload the metals. Your help would be highly appreciated and is necessary. Inquire with the guys back in the shop.
